On May 2, 2001, Teligent Services, Inc. ("Teligent" or the "Company"), filed an application with the State Corporation Commission ("Commission") seeking permission to discontinue provision of local exchange telecommunications services in the Richmond Standard Metropolitan Statistical Area ("SMSA"), effective May 31, 2001.

On May 22, 2001, Teligent filed a Motion for Emergency Relief and Petition for Reconsideration advising the Commission of its inability to provide local exchange telecommunications services beyond May 31, 2001. Also, on May 22, 2001, the Commission issued an Order Granting Motion for Emergency Relief and Petition for

Reconsideration in this proceeding approving the May 31, 2001, discontinuance date and directing the Company to contact its affected customers and report to the Division of Communications on the status of each of its remaining Richmond customers by May 30, 2001.

Teligent discontinued local exchange telecommunications services on May 31, 2001, and reported to the Division of Communications as directed.

NOW THE COMMISSION finds that there is nothing further to be done in this matter.

Accordingly, IT IS ORDERED THAT this case be, and hereby is, DISMISSED from the docket of active cases.
